Product Datasheet

DEC-DH-29 DEC-DH-29S

Freeze Protected PPE Decontamination Shower

This trace-tape heated and pre-insulated walk-through, self-draining decontamination shower features multiple nozzles to assist with the decontamination process. It can be easily sited by a fork lift truck when the location is of a temporary nature. Also available with GRP drain sump. Suitable for use in hazardous areas. Available with galvanised or 316L stainless steel pipework.
